**A list of the employment positions determined to be within the field for which a student received education and training for the calculation of job placement rates (CEC 94910(f)(2))**

: Angeles College determines in-field employment positions base on the definition provided by our accreditor, Accrediting Bureau of Health Education Schools (ABHES) in conjunction with the resources available via United States Department of Labor – Bureau of Labor Statistics (<http://www.bls.gov/data/>), National Center for Education Statistics (<https://nces.ed.gov/ipeds/cipcode/Default.aspx?y=55> ) and Occupational Information Network (O\*NET) website (<https://www.onetonline.org/>). Generally, Angeles College defines In-field to a position wherein all and/or the majority of the graduate’s job functions require the use of skills and knowledge acquired through successful completion of the training program.

**Lists of In-field employment positions include, but are not limited to:**
